

How to Submit a paper to CIRPCAT 2024

First, use the following link to go to Procedia CIRP where you will need to register an authors account or login in if you have already used the system before.

<https://www.editorialmanager.com/procir/default.aspx>

Then you should then select the Submit a Manuscript tab where you will be prompted to select an article type. You should select **PROCIRP_CAT 2024** as shown below.

em Procedia CIRP

Home Main Menu Submit a Manuscript About Help

Article Type Selection

Attach Files

Choose the Article Type of your submission from the drop-down menu.
